Understanding Optical Modules

Depending on transmission rates, optical modules are classified into 400GE, 200GE, 100GE, 40GE, 25GE, 10GE, FE, and GE optical modules. The higher transmission rate an optical module provides,

What Are The Differences Between 25G SFP28 SR and 10/25G Dual

Whether to directly choose 25G SFP28 optical modules or 10/25G dual-rate optical modules has become a difficult decision. This article will guide you through the differences between
