

24-circuit distribution box

Overview

The distribution box allows the assembly of standard 18mm wide modules, on a DIN rail. Various versions of distribution boxes, a large selection of materials, voltage ranges, rated currents and IP protection types / protection classes for indoor and outdoor use, as well as a wide range of accessories and tools such as WAGO plug-in terminals, crimping tools, cable ties, wire end. With its degree of protection of IP40, the junction box is perfectly suited for all indoor applications. IP66 RATED EFFICIENT AND WATERPROOF: Our 24 Way circuit breaker protective box housing is made of ABS material and is IP66 engineering grade waterproof. It is also snow and rain resistant for a variety of harsh environments, providing safety and protection for your circuit equipment.
