

288-core pull-out MPO high-density fiber optic distribution frame

Overview

MPO 3U optical fiber distribution frame (box) accommodates 12 MPO or MTP pre-termination boxes, with potential transmission of up to 288 cores. FOLINK's Ultra Elite MTP fiber optic patch panels are the highest density modular patch panels are offered by SpringOptic. We can support customer MPO / MTP Multi-fiber Solutions, MPO / MTP Patch Cable, MPO / MTP Fiber Cassettes, MPO / MTP Trunk Cables, and MPO / MTP Fiber Patch Panel Chasis. Suitable for various types of data centers, data centers, and databases, with stable operation, strong scalability, simple management, effectively. Lightweight anodized aluminum construction, modular cassette design, and front access make it ideal for data centers, SAN, FTTx, and high-speed cloud infrastructure.

288-core pull-out MPO high-density fiber optic distribution frame

Fiber Panels, Modules & Cassettes

Explore CommScope's efficient and scalable fiber splice panels designed for seamless connectivity. Accommodating LC, SC, and MTP/MPO connectors,
