

A well-known Iranian fiber optic sensor manufacturer

Overview

An Iranian company that designs and manufactures optical components and devices; a subsidiary of Iran Electronics Industries (IEI), which is wholly owned by the Iranian Ministry of Defense and Armed Forces Logistics (MODAFL) and manufactures electronic components for Iranian. Etemad Optical Company specializes in the production of spectacle lenses using advanced technology, highlighting its expertise in the optics industry. Nur Afarin eldeh Company (NAiCo) is a knowledge base Iranian Company on Optical sensors and communications, especially in Fiber Optic Sensors and communications. By connecting with the best fiber optic sensors manufacturers and suppliers you can grow your business and satisfy your clients with top-notch products and services. Fiber optic sensors manufacturer offering solutions for Oil & Gas, Aerospace & Defense, civil engineering, geotechnical and other industries.

A well-known Iranian fiber optic sensor manufacturer

Fiber Optic Sensor Manufacturer: 3800+ Global Suppliers

Find 3800+ fiber optic sensor manufacturers for industrial, medical, and telecom applications. Need high-precision solutions? Connect with verified suppliers today!
