

# **Cable tray converted into storage box**

## Overview

---

This video provides you with the plans, my cut list, as well as the materials and tools I used. Cables have a natural desire to tangle when two or more are laid down together, so the cabling under our office desk was spaghetti junction. Why not disguise your cable box as a decorative book or storage box?

I once fooled a friend with a faux book box that hid my power strip. Find out how to organize cables with our practical and attractive DIY cable organization box. Cable Management Shelf: I was looking for a nice cable management shelf for my desk, but I could only find either plastic trays or wire shelving online. There were some other DIY solutions that were cheaper, but I also wanted a more elegant look, since this it would be hig. Our extended family has grown quite a bit over the years to include Cousin iPad, Auntie iPhone, Grannie.
