

Direct Sales of Active Photonic FP Equipment

Direct Sales of Active Photonic FP Equipment

Shop Optics / Photonics Equipment For Sale, New and Used Prices

LabX is your go-to marketplace for buying and selling new, used, and refurbished optics and photonics equipment. Browse our selection to find the ideal tools for your lab or submit a quote

RP Photonics Buyer's Guide

Directory of Photonics Suppliers We have 1810 registered photonics suppliers in this Buyer's Guide -- the most professional directory of manufacturers and distributors of products in the area of photonics.

Focused Photonics Inc.

Get complete information on Focused Photonics Inc., their values and their distributors in different countries.

[Contact Us](#)

Global Industry Report

The predominance of large photonics components manufacturers headquartered in Japan -- such as Keyence, Nikon, Olympus, Panasonic, Sony, and Sharp -- means that Japan's share of total

[Contact Us](#)

FLC

FLC - Frankfurt Laser Company GmbH is a world leading supplier of FP, DFB and DBR laser diodes, SM individually addressable and broad area laser diode

[Contact Us](#)

Optical Active Device

BRIGHTEN PHOTONICS is committed to the optical fiber communication and optical fiber sensing, providing special optical fibers, optical passive devices, optical active devices, optical fiber sensor

[Contact Us](#)

Photonics Suppliers , Suppliers , Photonics Buyers' Guide , Photonics

Explore top photonics and optical component manufacturers in our comprehensive buyers' guide. Compare suppliers of lenses, lasers, cameras, filters, sensors, and more.

[Contact Us](#)

Automated Photonic Device Assembly with Modular

The AssemblyLine systems from FiconTec are high-precision, in-line assembly solutions designed for the automated production of photonic devices.

[Contact Us](#)

Optical / Photonic Equipment: Used, Surplus, Refurbished Process

Items from the following manufacturers are offered under Optical / Photonic Equipment:

[Contact Us](#)

A Comprehensive Exploration of Contemporary Photonic

Photonics plays a pivotal role in propelling space exploration forward, providing innovative solutions to address the challenges presented by the

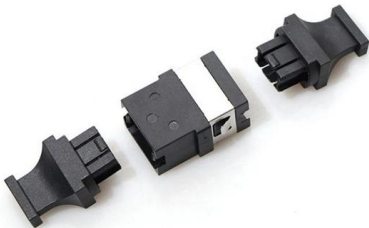

[Contact Us](#)

Fast Multi-Channel Photonics Alignment Systems

Fast Multi-Channel Photonics Alignment Systems
PI's Fast Multi-Channel Photonics Alignment (FMPA) systems are based on a highly specialized digital motion controller (E-713) and a hybrid active

[Contact Us](#)

Photon Mission

Photon Mission is a distributor of high tech photonics equipment. Our varied and specialized team is ready to help you with your application challenges. We

[Contact Us](#)

RP Photonics Buyer's Guide

In this photonics directory you can search for suppliers by company names.

[Contact Us](#)

FP Mailing Solutions For Sale , Pacific Office Automation

FP has a long history of innovation in the mailing industry. Known for postage meters, FP's USPS®-approved specialized mailing machines print official

[Contact Us](#)

Postage Meters

See how our economical postage meters can make your business run smoother and save you money! Unlock postal discounts with a postage meter and save over

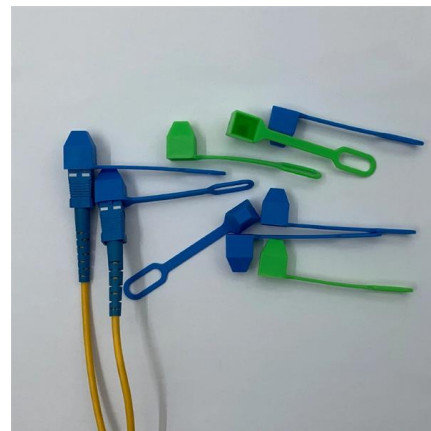

[Contact Us](#)

Optical / Photonic Equipment: Used, Surplus, Refurbished Process

Optical / Photonic Equipment such as DC Power Supplies, Radio Frequency (RF) Generators, Power Supplies, Linear Stages, Optical Tables and Breadboards, High Voltage Power Supplies, Positioning

[Contact Us](#)

AC Photonics Inc

We offer stand-alone passive components, integrated design and manufacturing solutions, as well as full system builds for a diverse client base across numerous

[Contact Us](#)

Characterization of a photonic active

integrated antenna using a direct

The passive mode-locking signal is detected by a direct off-air method from a photonic active integrated antenna. This signal can be used as a remote local oscillator to downconvert

Free Space Photonics Equipment Market Research Report 2034

The free space photonics equipment market was valued at \$2.8 billion in 2025 and is projected to reach \$7.6 billion by 2034, growing at a CAGR of 11.7%.

[Contact Us](#)

Focused Photonics Inc. (FPI)

Focused Photonics Inc. (also known as FPI) measures gas, air, dust and water, is one of the world's leading manufacturers of analytical instrumentation for industrial process and environmental monitoring.

[Contact Us](#)

BENEFITS OF ACTIVE & PASSIVE INTEGRATION IN PHOTONICS

Leverages CMOS equipment and practices
Market reliability proven InP worldwide volume > 100 million units annually
Larger volumes than any other photonics technology
Proven in volume production

[Contact Us](#)

Photon Mission

It is our mission to bring photonic (measurement) techniques to new, exciting applications that make the world a better place for existing and future

[Contact Us](#)

Fiber Laser Sources & Solutions , IPG Photonics

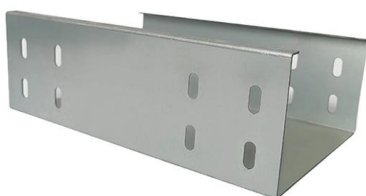

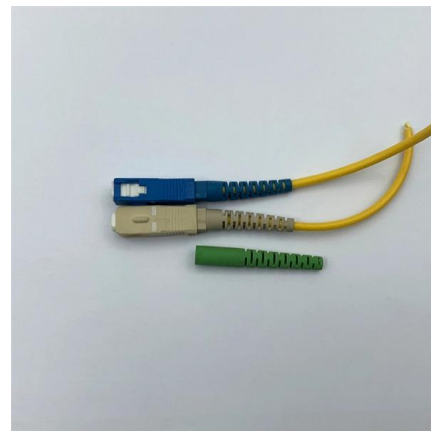

IPG Photonics manufactures high-performance fiber lasers, amplifiers, and laser systems for diverse applications and industries. Discover your solution.
