

Distribution Box 54 Circuits

Overview

The distribution box allows the mounting of standard 18mm wide modules on a DIN rail. The Sindr Surface Waterproof Distribution Box HPC-54 is an advanced electrical enclosure designed to protect and organize up to 54 loops (circuits). Unique rounded corners & premium white color Experience streamlined power management with the DBSet 54 module VTPN distribution board designed for flush mounting.

Distribution Box 54 Circuits

Power Distribution Panel

The main lug only panel contains 54 circuits. Enclosure Design: This power distribution panel is housed in a space-saving NEMA 3R enclosure for protection
