Wiring diagram shows both PNP and NPN wiring. Distribution box is used to house PDUs which safely distribute electricity from power source to devices in a circuit. Depending on local conditions, packaging and freight charges might not be included. Legrand's CSR roadmap is a natural extension to the governance and sustainable development approach in which the company has been engaged for many years. Since its founding, EAE has grown rapidly, expanding its production and areas of operation by incorporating EAE Lighting in 1983, EAE Machinery in 1996, EAE Electrotechnics in 2004. The multiple sockets are equipped with an input for direct connection to the in-line socket.

Distribution Box Socket Specifications

Distribution Boards & Consumer Units

Mini Center Compact is a reliable range of distribution boards allowing maximum flexibility, offering wide choice of incomers: Switch Disconnector, MCCB, MCB, RCCB, RCD or Direct Cable Connection.
