

Egyptian Waterproof and Tensile-Resistant Optical Cable

Overview

It features with low Smoke Zero Halogen (LSZH) green coloured external sheath, UV resistant, dielectric, high tensile strength, rodent retardant and longitudinally watertight. We are a professional company specializing in the supply, installation, and implementation of Fiber Optic and Optical Fiber network solutions and Light Current systems, with over 18 years of experience in the telecommunications industry. HitekNOFAL OPTIX was established in 2018 as a manufacturing facility of fiber optic cabling & Acc. Official Website FiberME Communication specializes in unified communication products and solutions, offering a diverse range of multimedia and networking solutions. Fibertech Misr supplies all components of fiber optic networks of fiber optic cable, patch cord, Pigtail, Adaptor, closure, Connector, media converter, over 8 years, the implementation of Telecommunications projects, Training for Welding, Measuring, FTTH, GPON, SDH, DWDM, CCTV, IP TV. Here's a breakdown of its construction: Loose Tubes: GYTS cables contain multiple loose tubes, typically made of a high modulus.
