Detailed Diagram

The diagram shows the front, side, rear, bottom, and top views of a cabinet with the following dimensions:

- Front View:** Width 542 (3), Height 801 (8). It features a door with diagonal lines and a handle.
- Side View:** Width 600 (3), Height 801 (8). It shows the side profile of the cabinet.
- Rear View:** Width 800, Height 801 (8). It shows the back of the cabinet with a central panel and two side panels.
- Bottom View:** Width 542 (3), Depth 250. It shows the base of the cabinet.
- Top View:** Width 600 (3), Depth 250. It shows the top surface of the cabinet.

Mounting Dimensions

The diagram shows the mounting dimensions for the cabinet, including the distance between the mounting holes (600) and the distance from the edge to the mounting holes (185).

Overall rendering

The diagram shows the overall rendering of the cabinet, including the front, side, rear, bottom, and top views, with dimensions and labels (A, B, C, D, E, F, G, H, I, J, K, L, M, N, O, P, Q, R, S, T, U, V, W, X, Y, Z).

Compact and frame fans: how do I install them? Where are they installed? In which business are used? Discover all about our professional compact fans.

The image displays three views of a grey metal network cabinet. The left view shows the closed cabinet with a handle and ventilation slots at the bottom. The middle view shows the cabinet open, revealing internal components including a green patch panel with multiple ports and a network switch or router at the bottom. The right view shows the back of the cabinet with a large panel of ports and a label.
