

Fiber Optic Fusion Tray 6-Core Connector

Overview

The FS 6 Fibers Splice Tray provides secure organisation and protection for up to 6 fusion splices, ensuring reliable performance in FTTx, data centre, and enterprise networks. Its compact capacity and stackable design make it ideal for small-scale or distributed fibre management. Corning has a wide variety of hardware solutions to choose from to fit your cabling needs. It is mainly used for management of cable junction box and wall mounted junction box. Discover CommScope fiber splice trays, fiber optic splice trays, and a convenient fiber splice organizer. Organize fiber connections with ease\$ {cardName} unavailable for quantities greater than \$ {maxQuantity}.

Fiber Optic Fusion Tray 6-Core Connector

Fiber Optic Splice Trays & Termination Boxes: Fusion Splicing

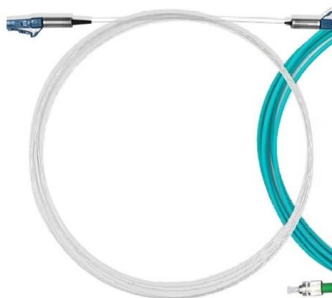

Our fiber optic splice trays and boxes provide a secure and organized solution for managing fiber splices in various network environments. These enclosures protect delicate spliced fibers, ensuring long
