58 optical fiber jobs in Germany, May 2026 , Glassdoor

Our Optical Communications segment has recently evolved from being a manufacturer of optical fiber and cable, hardware and equipment to being a comprehensive provider of industry

Optical Fiber Cable Solutions

Sumitomo Electric Lightwave's vast portfolio of optical fiber ribbon cables ensure that any network can run on the reliability and flexibility that Sumitomo's products

Optical fiber assemblies for high

temperature environments

The melting point of silica is around 1,700 °C, so a bare optical fiber could easily fulfil its data transmission role at such temperatures. However, deprived of mechanical
