

How to install the terminal distribution box

CAT 7 FTP JACK

Overview

msixbundle file on the GitHub releases page or through the Microsoft Store (Stable, Preview). Installation through the MSIX bundle might need network access to download dependency packages from the Store. This feature is available in all versions of Windows 11 and versions of Windows 10 22H2 after the installation of the May 23, 2023 update, KB5026435.
