

Huawei Switch 16 Ports 2 Fiber Ports

Overview

The Huawei Managed PoE Switch S110-16LP2SR is a versatile and powerful managed switch designed for demanding network environments in small and medium-sized businesses (SMBs) and larger organizations. Huawei's comprehensive portfolio of products and solutions enables you to realize smooth digital transformation and rapid growth of virtualization, Big Data, and cloud services. Huawei switches already help customers achieve success in industries such as finance, Internet, retail, education. It features 16 Gigabit Ethernet Ports (10/100/1000 Mbps) for high-speed connectivity of devices. Whether for small offices or growing enterprises, HUAWEI's 16-port switches deliver high performance, energy efficiency, and advanced management capabilities. They are primarily categorized into two major types based on management functionality: Unmanaged and Managed switches. PoE Support: The switch supports Power over Ethernet (PoE), allowing you to power devices like IP cameras, VoIP phones, and wireless access.
