

Hungarian Professional Explosion-Proof Distribution Box Brand

Overview

TEP Ex is the regional leader in manufacturing of the explosion-protected electrical equipment. Through continuous development of new products and markets, modernization of technology and investment in company employees and organization, we continue the tradition of more than 60 years of experience. Within the EU, the ATEX directive, which determines the safe operation of plants and systems in potentially explosive atmospheres, is effective for this purpose. Other countries and continents have different safety guidelines in this area (IECEX, TR-TS, NEC etc. Atex Delvalle provides a custom made facility for hazardous area stainless steel Aisi 304L & Aisi 316L Atex and IECEX Certified junction boxes, terminal boxes, large atex enclosures, Empty enclosures. Extol International are the leading suppliers of Control Panels & Distribution Boards for hazardous areas and explosive atmospheres - a comprehensive range of Explosion Proof control panels are available with ATEX certification and explosion protection to Ex d / Ex'de concept suitable for Zone 1.

Hungarian Professional Explosion-Proof Distribution Box Brand

We specialise in the safety of hazardous work areas

Our company's predecessors were established by the Hungarian State's Ministry of Heavy Industry, and it engaged in the testing and
