

Jamaica Smart Integrated Power Company

Overview

Powersource is a smart technology alternative energy and energy efficiency company operating across the Caribbean. IDB Invest and Jamaica Public Service Company Limited (JPS) have signed a US\$100 million financing package, to fund JPS' capital investment programme. JPS is doing a phased implementation of its own Field Area Network, specifically a point-to-multipoint wireless radio network in a frequency band ranging from 3300 MHz to 3900 MHz.
