

Gianning Large-Span Cable Tray

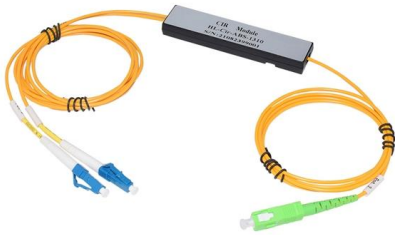

Overview

The product range comprises cable trays and cable ladders with widths of between 200 and 600mm and side heights of 110 to 200mm. All the elements of the system are constructed in a robust, long-life manner, in order to withstand the loads of everyday industrial work over a long. Heavy duty cable trays and cable ladders are manufactured from pre-galvanized or hot-dipped galvanized sheet metal, designed to meet ideal environmental working conditions for indoor and outdoor use in commercial or industrial environments with high cable density.
