

Kuwait Optical Cable Factory

Overview

KUWAIT: Undersecretary of the Ministry of Commerce and Industry Ziad Al-Najem (representing Minister of Commerce Khalifa Al-Ajeel) on Monday inaugurated the Taihan Kuwait factory, the first Kuwaiti factory in the Mina Abdullah Industrial Area for manufacturing fiber optic cables . The establishment of Kuwait's first fiber optic factory is crucial for the country's telecom sector, as the state replaces copper cables with faster, more secure optical ones. The factory spans 5,000 square meters, with an initial capacity of 500,000 kilometers of fiber annually and an investment. SEOUL, September 10 (AJP) — Korea's leading cable manufacturer, Taihan Cable & Solution, said Tuesday it has completed the construction of the first fiber optic cable production facility in Kuwait as part of its efforts to expand in the Gulf region.
