

Laos Data Center Power Distribution Box

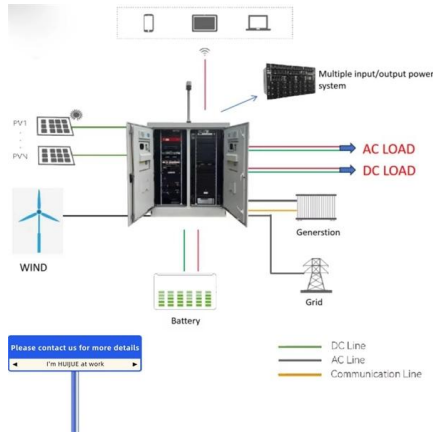

Overview

Laos power strips and PDU power distribution units for surface mount, rack mount and general purpose applications. ABB Drives is a global technology leader serving industries, infrastructure and machine builders with world-class drives, drive systems and packages. We help our customers, partners and equipment manufacturers to improve energy efficiency, asset reliability, productivity, safety and performance. How does 6W market outlook report help businesses in making decisions?

6W monitors the market across 60+ countries Globally, publishing an annual market outlook report that analyses trends, key drivers, Size, Volume, Revenue, opportunities, and market segments. HEAVYCON Datacenter connectors from Phoenix Contact are an excellent choice for optimizing electrical connections. The space-saving PDU is easy to move and adapt to the future demands of the data center.
