

# Morocco Energy Internet Building

MTP MPO SC-Type Fiber Adapter

## Overview

---

The country's digital transition minister, Amal El Fallah Saghrouchni, told Reuters that the facility would be located in Dakhla, a city run by Moroccan authorities in the disputed territory of Western Sahara. Morocco plans to build a 500-megawatt data center powered entirely by renewable energy. The centre will be located in Dakhla, in Western Sahara, Amal El Fallah Seghrouchni told Reuters, without giving details on the timeline or.
