

Namibia Accelerometer Sensor Optical Cable Manufacturer

Overview

NVC offers the widest variety of high-quality accelerometers, vibration sensor cables and connectors for industrial use in condition monitoring and predictive maintenance applications. It boasts a robust customer base which includes multi-national mining operations. Find Cable Manufacturers & Suppliers in Namibia and get directions and maps for local businesses in Africa. Since its establishment in 1998, BCX has evolved into the country's leading provider of integrated digital solutions, empowering organizations to thrive in an. We offer a comprehensive range of cables, cable assemblies and data test instruments to ensure complete peace of mind when installing industrial vibration sensors. Medium voltage equipment & Panels; Air circuit breakers; Moulded case circuit breakers; Miniature circuit breakers; Power control & Protection; Energy management solutions; Protection relays; Control & Connection components; Programmable logic controllers (PLC) & Automation products; Push buttons &.

Namibia Accelerometer Sensor Optical Cable Manufacturer

Optical Accelerometers

Each FOSA is a complete, plug-and-play system comprised of our advanced fiber optical accelerometer, electro-optical unit (EOU), output signal cable with BNC connector, DC power supply and carrying case.
