Intelligent Bem Brasil warehouse in Perdizes

About Bem Brasil
The Needs of Bem Brasil
The Solution
An Intelligent WMS
Advantages For Bem Brasil
Max storage, max pallets: the Bem Brasil center can house more than 33,000 pallets of 39" x 48" that can each weigh 1.23 tons.
Productivity never better: the AS/RS warehouse ensures a smooth flow of goods with operators hardly having to step in, eliminating any potential error.
Good management: all operations are governed by the Interlake Mecalux WMS and the Galileo control module. This gives movement commands to the electromechanical devices that comprise the installation.
