Overview

Fibershot Handheld Adjustable Light Source is Fibershot's newly designed fiber optic tester, it aims at fiber network installation, fiber network engineering acceptance, and fiber network maintenance. VIAVI offers the most comprehensive light source and power meter kits for fiber optic networks. Optical Light Source X-5002 provides single to quad-wavelength output including 650nm.

New Chilean Fiber Optic Handheld Light Source

Chilean government partners with Google to launch Asia

The Chilean government announced a partnership with Alphabet's Google on Wednesday to build the first undersea fiber-optic cable between South
