

# **New Ethiopian E2000 Connector**

## Overview

---

Find top e2000 optical connectors with low insertion loss, high return loss, and push-pull locking. The E-2000® connector, invented by DIAMOND, delivers unmatched reliability and precision in fiber-optic interconnects - making it the ideal choice for critical transmission points across telecom, industrial, medical, and more applications. According to our (Global Info Research) latest study, the global E2000 Connectors market size was valued at US\$ 191 million in 2024 and is forecast to a readjusted size of USD 318 million by 2031 with a CAGR of 7. Explore wholesale pricing from multiple suppliers to find the best deal without compromising on quality.

## New Ethiopian E2000 Connector
