Component Diagram

The diagram illustrates the exploded view of the 12-Port Fiber Optic Patch Panel. The components are labeled as follows:

- Cable Plug
- Line Rack
- Fiber Optic Cassette
- Panel Housing
- TOP Cover
- Slide Rail
- Slide Rail

Key dimensions

The diagram includes three dimension lines indicating the physical size of the unit:

- Overall width: 487.5
- Overall height: 141.5
- Overall depth: 100.0

This makes the fiber optic switch a more intelligent device than a hub (which receives a message and then transmits it to all the other devices on its network). The fiber Ethernet switch plays an integral

Find a Nordic distribution partner to launch your brand in Sweden, Denmark, Norway and Finland. Free directory of vetted B2B distributors across 7 sectors.

A coiled white optical fiber cable with a green connector. The cable is arranged in a loose circle, and the connector is a small, green, rectangular device with a circular lens at the end.

GlobalConnect is one of the leading digital infrastructure and data communication providers in the Nordic region, driving more than half of all data

Wholesale Network Switches Suppliers & Manufacturers , Merhein

Find verified Network Switches suppliers, manufacturers and wholesalers. Compare prices, request free quotes and source in bulk from trusted vendors. Start sourcing with Merhein today.
