

Number of 510nm laser diodes in Kuwait

High-quality ceramic ferrule

Overview

High-power laser diodes are used in industrial applications such as heat treating, cladding, seam welding, and for pumping other lasers, such as diode-pumped solid-state lasers. In the early 1960s, light emission from a (GaAs) semiconductor diode (a laser diode) was demonstrated.

Number of 510nm laser diodes in Kuwait

Laser Diodes - Mouser

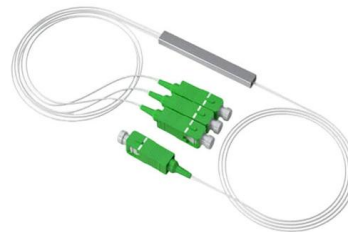

Laser diodes are available at Mouser Electronics from industry leading manufacturers. Mouser is an authorized distributor for many laser diode manufacturers including ams Osram, KYOCERA AVX,
