

Optical Cable OTB Box

Overview

An outdoor termination box (often called a fiber optic distribution box or outdoor terminal box) is an enclosed enclosure used in outdoor environments. Outdoor Termination Box (OTB) Complete Guide: How to Choose the Best Outdoor Fiber Optic Distribution Box for Your FTTH Network?

With the global proliferation of Fiber to the Home (FTTH) networks, the "last mile" of fiber optic cabling has become crucial. This box is made of ABS plastic which makes it lightweight, impact resistant and affordable. It can handle SCPC / SCAPC / LCPC / LCAPC / FCPC / FCAPC adaptors and connectors.

Optical Cable OTB Box

The Ultimate Guide To Choosing The Right Fiber

Fiber Termination Box (FTB) or Optical Terminal Box (OTB) is a distribution box specially designed for fiber cable management in FTTH
