

Polish high and low voltage complete equipment manufacturer

Overview

is the leading Polish producer of fittings for: HIGH VOLTAGE, MEDIUM VOLTAGE and LOW VOLTAGE overhead power lines and substation fittings with an energy market presence for over seventy five years. BNnN voltage transformers are mainly dedicated to photovoltaic installation protection. provides modern LV and MV switchgear systems, pad mounted transformers of proprietary design, and the solutions from our globally leading partners. Merry Christmas! Merry Christmas! Happy Easter! Happy Easter! For more than 37 years, we have been creating advanced solutions for the electrical power industry. Our solutions can be found not only in Poland and Europe, but also in many remote corners of the. Dragon Winch is a leading manufacturer of winches and specialized equipment, designed and produced.

Polish high and low voltage complete equipment manufacturer

Modern solutions: electrical switchgear manufacturers, low and

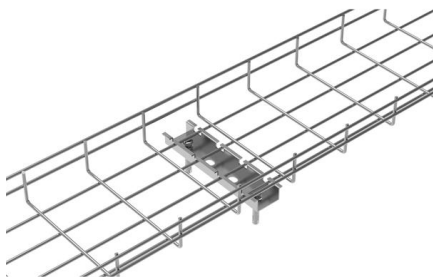

We operate globally, providing high-quality products that drive growth and ensure energy security. Our solutions can be found not only in Poland and Europe, but also in many remote corners of the world.
