

Pre-fabricated optical cable SPOC

Overview

Spring Optical offers factory-tested, customizable pre-terminated fiber optic cable assemblies with low loss and fast deployment for FTTH, data centers, and enterprise networks. If you do not find the cable you are looking for then you can contact the manufacturer and ask them for a cable file or create your own as described in section 9. No special knowledge or tools are needed to install HELUCOM® pre-assembled fiber optic cables. To configure assemblies that meet your specific needs, check out our cable assembly configurators today!
