

Price of installation of circuit breaker in distribution box

Overview

Breaker box installation cost typically spans a low end around \$1,400 for a simple 100-amp panel with minimal wiring and no upgrades, to well over \$9,000 for a full service upgrade in a larger home. Replacing a circuit breaker can be more complex than it seems and on average costs around £150. However, costs can reach up to \$4,500 when you factor in breaker box replacement, moving your electrical panel, or the expansion of your home's amperage.
