Overview

With a strong emphasis on technology, automation, and sustainability, the UAE is home to leading manufacturing companies in UAE spanning industries such as aerospace, automotive, construction materials, electronics, food production, pharmaceuticals, and textiles. BIRD Collaborative offers sustainable, biodegradable solutions for HORECA BIRD Collaborative specializes in creating and supplying sustainable, biodegradable products for the HORECA sector, such as eco-friendly straws made from wood byproducts that decompose naturally without leaving microplastics. Fox EMS is a full-service contract manufacturer specializing in electronic products, offering a comprehensive solution that covers the entire production lifecycle from New Product Introduction (NPI) to Mass Production (MP). Below is a list of the top 50 companies leading the UAE's manufacturing and industrial landscape. The UAE government has heavily invested in the industrial sector to establish itself as a global manufacturing powerhouse. Manufacturing is likely to play an increasingly important role in the UAE economy with Operation 300bn, the 10-year strategy driven by the Ministry of Industry and Advanced technology, seeking to expand the contribution of the sector.
