

Railway cable splice box model

Overview

Splice box for mounting on 35mm DIN rail, metal case steel plate powder coated, populated with 12x Pigtail OM3 SC, 6x SC duplex adapter, splice tray (integrated), splice comb. Splice box, design: Rail-mountable module, degree of protection: IP20, material: Metal, connection method: Splicing, cable outlet: above and below, housing size: 1, color: gray, Ethernet This product needs further products for operation. The Phoenix Contact splice box are assembled with 6x E2000 duplex coupling, fully assembled and ready for splicing with pre-assembled 900 µm pigtails (OM1 UPC). Comes in Black, Red, Green, Brown, Blue, Orange, Pink, Grey, White, Purple, and Yellow. Housing (2-part) prepared for DIN rail mount For this purpose, Telegärtner has developed the train approved distribution box, called RDB. Because of its tested reliability against vibrations and shocks and also heat, coldness and humidity, the RDB is perfectly suited for use in harsh environments.
