

Rx1490 optical module

Overview

Supporting 40km over single-mode fiber with two independent channels at 1310nm Tx/1490nm Rx wavelengths, this compact SFP module delivers 19 dB link budget at 1. BiDi single-mode SFP optical module, 1Gb speed, LC simplex connector, 20 km range, laser Tx:1310nm Rx:1490nm. If you are ordering inserts for several device models, describe how many pieces and for. These compact optical transceivers offer a access and ring network, storage network, and. Gearlink's SFP-GE-BX SFP transceiver is compatible with the Small Form Factor Pluggable Multi-Sourcing Agreement (MSA).
