

Shaping Azerbaijan

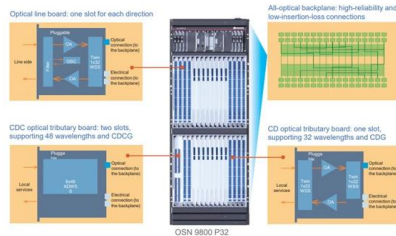

Overview

Azerbaijan is transitioning toward a greener economy, with plans to reduce greenhouse gas emissions and expand renewable energy. Reforms to Build a More Dynamic Private Sector Can Bolster Job Creation and Resilience

Azerbaijan is an upper-middle income country strategically located in the South Caucasus along the Caspian Sea, bordered by Armenia, Georgia, Iran, the Russian Federation, and Türkiye. Modern cities are undergoing a period of profound transformation driven by the need for territorial recovery, the transition to sustainable development, and the rethinking of traditional models of urbanization. At the center of the discussion are new approaches to urban planning, including the. Baku reveals its old soul and modern spirit through historic streets, revived neighbourhoods and a. The Equal Opportunity in Technology programme arrived in Azerbaijan, reaching university students and educators for the first time.
