

Source of Bahrain Grid Bridge

Overview

The project to build the bridge began during an official visit to Bahrain in 1954 by King Saud; his wish was to nurture and further solidify the bonds between the two countries. OverviewThe King Fahd Causeway (: , Jisr al-Malik Fahd) is a 25 km (15. 4, which, with a total area of 660,000 square metres (7,100,000 sq ft), is the largest of the embankments. On 6 July 2010, Saudi newspapers quoted King Fahd Causeway Authority chief Bader Abdullah Al-Otaishan as saying that the King Fahd Causeway was to undergo a major expansion projected to cost \$5.
