

South African Low-Voltage Switchgear Manufacturer

Overview

We locally design, manufacture, assemble, test and certify our medium and low voltage assemblies to international standards of excellence. We are able to provide solutions in standard compartmentalised metal or polycarbonate enclosures for high degrees of protection as well as. Africa Switchgear PTY Ltd is a leading proudly South African manufacturer and exporter of Miniature Substations, Oil & Sf6 type Switchgear, Power & Distribution Transformers, BMK metering units, On-Load tap changers and Low Voltage Panels. AMJ Electrical Services (Pty) Ltd (The Switchgear Co) was formed in 1996 to provide LV, MV and HV (400V to 132KV) switchgear and associated equipment solutions and services throughout South Africa and many countries in Africa.

South African Low-Voltage Switchgear Manufacturer

Switchgear Unlimited , Electrical Switchgear Solutions

We manufacture motor control centres of all sizes, PLC panels, control panels, distribution boards, and mini sub-stations. With over 60 years' experience in the
