

Spanish mesh cable tray accessories

Overview

In addition to the covers, optional accessories in various materials and coatings are available to supplement the cable support system, e. gutter connectors, connecting plates, separating strips and protective rings. Our expertise and experience have allowed us to accumulate valuable technical knowledge, which is reflected in the quality of our products. The grid allows for easy detection and access to the cables, simplifying maintenance and repair. Tecnocable Machinery is a leader in the manufacturing of advanced machinery for the cable industry, offering comprehensive and customized solutions for the production of high-quality cables.
