Which Fiber Optic Junction Box is Best?

When it comes to fiber optic junction boxes, a variety of options are available. Usually, a common question asked by customers is which box is best for their application.

[Contact Us](#)

Mounting and installation information for junction boxes

Junction boxes are used to connect cables and can be mounted in all kinds of areas. With regard to the ambient conditions, several factors and standardised specifications must be taken into account, in

[Contact Us](#)

TECHNICAL SPECIFICATION

For purposes of this specification, cable and fibre service loops are defined as slack (extra) cable and fibre provided for facilitating the installation, maintenance and repair of the optical fibre cable plant.
