

Su suspended distribution box

Overview

Suspendable power distributors that are mounted hanging from the ceiling to save space. Various versions of our AMAXX®, 3KRAFT®, AirKRAFT® and DELTA-BOX combinations are available. The retraction system and sprung cable for this suspended unit can be added using the drop-down options below. Additional Sales Information: This product is available in different variations including different 1 and 2 gang sockets, USBs and Data outlets as well as our retractor system to lock the unit into your required working position. We also have 16amp, (IEC 60309/ BS 4343) and 32amp (IEC 60309/BS 4343), up to 8 sockets per unit.
