

Tunisian OEM Optical Core Router 40G

Overview

T1-QSFP-40G-SR4-LC is designed for 2km (SMF) 160m (MMF) optical communication applications. UniElec is a leading ODM & OEM network equipment manufacturer, specializing in the design, development, and production of cutting-edge communication products. With our extensive experience and industry expertise, we provide tailored solutions, including customized routers and gateways, to meet the. The Cisco ® 40GBASE QSFP (Quad Small Form-Factor Pluggable) portfolio offers customers a wide variety of high-density and low-power 40 Gigabit Ethernet connectivity options for data center, high-performance computing 00networks, enterprise core and distribution layers, and service provider. SAN-U is a best 40G BASE-SR4 QSFP+ Optical Engine Preliminary OEM ODM supplier in China, we supply various high quality 40G Chip on Board OEM for sale, and also give you endless design options. Contact us now!Brute Networks was founded with the mission of bringing OEM quality memory and optics to market at extraordinary cost savings over OEM branded products. The module converts 4 input channels (Ch) of 10Gb/s electrical data to 4 CWDM optical signals and multiplexes them into a.

Tunisian OEM Optical Core Router 40G

Cisco 40 Gigabit Modules

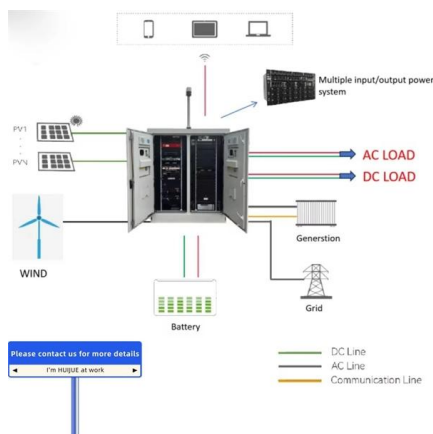

Cisco's Transceiver Module Group delivers industry-leading, standards-compliant 40 Gigabit pluggable transceiver modules.
