

UAE Tower Corporation

Overview

The Uptown Tower (Arabic: أبراج أبراج) is a 77-storey, 340 metres (1,120 ft) mixed-use supertall skyscraper located in the Uptown Dubai district of Dubai, United Arab Emirates. The building was commissioned to be built by Dubai Multi Commodities Center (DMCC). The construction site was partially powered by a solar-diesel hybrid power system with a reported solar capacity of 542 kWp, supplying electricity to site offices and equipment as part of the project's sustainability.
