

# **Vertical T-shaped cable tray at the top corner**

## Overview

---

The Vertical T Cable Tray is a durable and versatile solution for managing and protecting cables in vertical branching systems. Its robust construction and practical design ensure efficient cable routing in various industrial and commercial installations. Atkore Trof is a prefabricated metal structure consisting of ventilated or solid bottoms, welded to the side rails, and is manufactured and tested to NEMA Standard VE-1. , utilizing 100% domestic recycled steel, with minimized environmental impact finishes. The mechanical and electrical characteristics, tests, certifications, overall quality management, recommendations mentioned.
