

Waterproof connectors and fiber optic connectors

Overview

Fiber optic waterproof connectors can establish secure and reliable connections between fiber cables, even in the harshest outdoor environments. Sealing is a complex science, involving physical aspects such as mechanical design, materials & surface science, and fluid. ShowMeCables has IP68-rated weatherproof and waterproof fiber optic connectors and adapters including SM, MM and SM-APC, 4. The adapter types include LC-LC, MPO-MPO and SC-SC and form factors for the fiber connectors.
