Where to buy a high-temperature resistant PLC beam splitter

Where to buy a high-temperature resistant PLC beam splitter

What is a PLC Splitter? Function & Fiber Use Cases

Indoor PLC splitters - used inside buildings, cabinets, and racks. Outdoor/OSP PLC splitters - sealed for harsh weather and temperature shifts.

Different Package Type PLC Splitters

Different types of PLC splitters are designed to meet the different needs of OLT and ONT connection and splitting of optical signals in FTTH passive optical

Contact Us

Beam Splitters - optical power splitter, beamsplitter, thin

Beam splitters are devices for splitting a laser beam into two or more beams. There are different types, including polarizing and non-polarizing versions.
