

Yemen jumper wire single-mode pigtail fiber

Overview

Each fiber strand in the kit has a color-coded buffer for easy identification and the colors are the industry standard. Available in a range of multimode and single-mode fibers with SC, ST or LC connectors. Pre-terminated Cable Assemblies - AFL fiber optic cable assemblies include connectorized, pigtails, jumpers, simplex, duplex, high fiber count, node cables and MPO assemblies. We stock a large variety of standard jumpers ready for same day shipment, and we supply a wide range of custom fiber assemblies.

Yemen jumper wire single-mode pigtail fiber

Singlemode Fiber Pigtails, Multi-Strand Pigtail Jumpers , Amerifiber

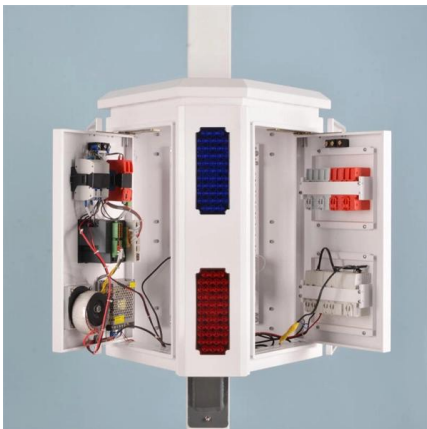

With standard fiber optic connectors at one end and color-coded strands at the other, they can be easily cut and spliced, and multiple strands can be connected in a small space using mechanical or fusion
